WHO WE ARE

The Counter is a mobile coffee cart station that has been specifically designed for corporate and private events in the UAE.

Whether it's a conference, the opening of a boutique store, a building inauguration, a music festival, sporting event or simply an event at your private residence, The Counter will be able to provide espresso style coffee on demand.

Best of all, The Counter can be 100% customised to your brand or remain brand free so that it fits seamlessly into an existing event.

Our fully trained baristas look forward to serving you soon!!!
